

# Craft-Maid European Wood Door Styles

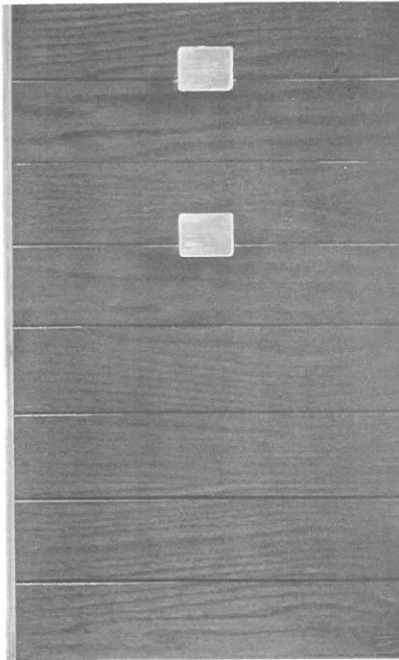

**CRAFT-MAID**  
*Custom*  
**Kitchens, inc.**  
 P.O. Box 4026  
 Reading, Pa. 19606

Featuring fully concealed, self-closing and fully adjustable 170° hinges.

**Milano #301**

Solid hardwood-features individual horizontal tongue and groove boards, uniform in width. Each deep V-grooved horizontal board is machined into the solid vertical stiles. Shown with #893 Finger Groove (Milano Only). Also available with choice of hardware.

**LaRochelle #302**

Veneer-features horizontal grain on both doors and drawers with shallow V-grooves. Accented with vertical aluminum edging. Shown with Pull #1054 AS. Available with choice of hardware.

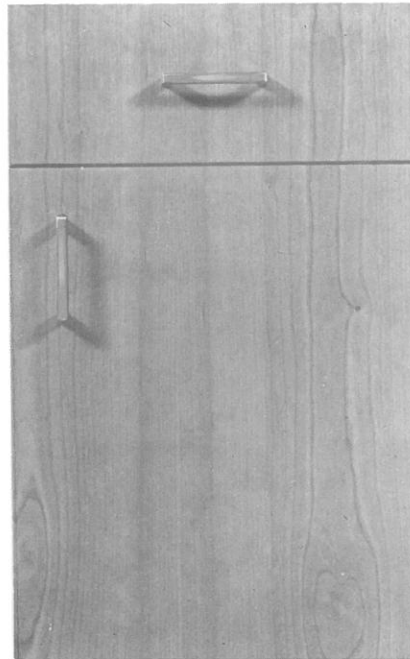

**Grenoble #303**

Veneer-features horizontal grain on both doors and drawers WITHOUT V-grooves. Accented with vertical aluminum edging. Shown with Oak Pull #407 (additional cost). Available with choice of hardware.

**Contempo #304**

Veneer-features vertical grain on both doors and drawers. Exposed edges are veneered. Shown with full width horizontal aluminum flush Pull #904 with contoured recess and a concealed system of attaching the pull to the doors and drawers (Contempo Only)

**Roma #305**

Veneer-features vertical grain on both doors and drawers. Exposed edges are veneered. Elegant contemporary simplicity focusing on the beauty of the graining. Shown with Pull #735 AS. Available with choice of hardware.

**Georgetown #E-10**

Solid hardwood Raised Panel Door-Features Traditional Door Styling in full overlay European look. Edge of doors and drawers standard with E-2 lip. Offers the advantages of Raised Panel Styles with fully concealed hinges. Shown with #125 round 1 1/2" wood knob. Available with choice of hardware.

Since veneer door stock (Styles #302, 303, 304, and 305) accepts stains differently, colors will appear slightly different, particularly on cherry wood and with lighter stain colors. Many Craft-Maid RAISED PANEL door styles are also available in the European Series.

**Woods Available - Cherry, Oak, Walnut and Wormy Chestnut. Stain Colors - all available on these woods.**

**#480**
