

Imported Look. Domestic Price.

Not a style, not a fad, but a feeling. Of craftsmen's hands turning delicate yet strong pilaster columns. Of the careful detailing that reveals the finely etched dentil moldings. Of gentle washing with authentic glazes and milk paints. Beautiful furniture for your kitchen that evokes the wonder we feel at things simply, beautifully built; things that work, and last and become more treasured with time. Over 3,000 finishes and an infinite variety of refinements are available for your distinctive home. Whatever you can imagine, Craft-Maid will create.

The latest innovation in dishwashers, sinks and counter top surfaces can be designed to compliment your lifestyle.
